## Introduction from the Captain - Mr Stewart Harper

September was a quiet month for myself and the Lady Captain as we were away for nearly two weeks; more about that later.

The beginning of the month was marked by excellent wins in the Match Play by two members who had not previously enjoyed such success. In two days, new member David Light managed to see off myself, Tim Moores (last year's winner) and Hamish Rumball (now a serial runner-up)? This was no mean

feat! He played excellent golf - do I see a lowering of handicap on the horizon?

In the ladies, Sue Georges, who has of late been showing excellent form, surprised no one when she succeeded against many strong players and defeated no less a competitor than Sally Evans in the final. Congratulations to them both.

Despite the dismal weather, Lady Captains Day was a great success for Cathy, and I cannot congratulate the ladies enough for their “get up and go” attitude and, guess what? Sue Georges won again, she is on a roll!

The Pink Day Charity takes place on the 7th of October, and Shirley Griffiths, who inaugurated the competition, has, as ever, played a major role in making this such a success. Men are now allowed to play and even more money will be raised for her charity. The weather looks fine and a large turnout is promised.

On Friday, the Wooden Spoon has a rather exciting prospect at least for the Lady Captain who believes the ladies are favourites? Time will tell but I hope for a strong response from the gentlemen and not too many distractions on the course from the ladies!

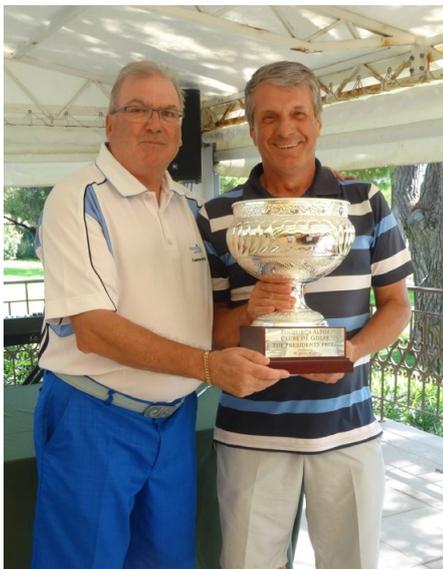

It is only right that I correct a mistake that was made in my last report regarding the position of the young boy, who the President in particular, and other members had collected large

sums of money to enable him to have a lifesaving operation. Jenny Harrison who administers with others, ACCA, says that this is incorrect and whilst I do not want to go into details, the money will be used to improve his life but not for an operation, at least at this stage as we understand it.

The club now has a charity committee consisting of the Director, Captain and President who will look into requests for donations, as we are conscious of the many good competing causes. I should add that we are very happy with supporting ACCA, particularly with Jenny looking after the administration.

Members who read the PA members bulletin will know that there are still many areas where I and the committee would like to see further investment and I hope in the near future to report on real progress.

Lastly, Cathy and I have just returned from cruising and seeing much of the eastern Mediterranean in only 10 days, and in my case with a considerable weight gain!

## Director of Golf - Monthly Report

September saw the usual Match Play Championship, with an entry of 16 men and eight ladies. Congratulations to David Light and Sue Georges; both new Champions of the Match Play, and we will keep an eye on them for future events as both had great wins to reach their titles.

On the 6th of September, we had President's Day and Senior Championship, which were the best supported events to-date with 80 players. Not too sure if this is because our President David Markey is so popular, or that we just have more senior players in the club!

It was a very enjoyable day followed by a lunch in the Clubhouse. Sergey Naumov was the big champion on the day by winning the President's Prize while Kelvin White is the new Pinheiros Altos Senior Champion 2015. Congratulations to both of them!

Both the Monthly Stableford and the September Medal were won by Zoë Pirret. I hope this is not a sign that the men are

going to retain the Wooden Spoon again against the ladies when it is played on the 9th of October.

October is the busiest month of the year on the golf course. I would therefore recommend that all members playing this month to play in four balls as much as possible, as the pace of the golf course will be slower and will be more enjoyable as four balls groups.

Autumn Medal Rosebowl and the highly anticipated Wooden Spoon are coming up; I am sure our Club Captain Stewart Harper is not willing to win the Spoon but will find a tough battle against our Lady Captain, his wife Cathy Harper, and her very strong ladies team.

I wish all of you a very good October on the golf course!

## Ladies Section - by Cathy Harper

For me, September was going to be mainly about my Captains Day. We had seen no rain for five months but when the day dawned, I was awoken to grey skies and a very serious possibility of showers. However well you plan something, you can never rely on the weather, as I found out!

My disappointment was overcome by the attitude of all the ladies, none of whom cancelled and were all cheerful in spite of the soaking, which they got at around 10am. My husband Stewart and Iain Cater were on-hand to offer Bucks Fizz and Pastéis de Nata at the half way points, and this seemed to spur on those who were doing well and offered comfort to those who weren't. Thanks to Iain and Stewart for giving up their time. After the golf we all went to Alambique Restaurant, where we were given an excellent meal and my disappointment that we could not dine in the garden made no difference to everyone's high spirits. The restaurant staff looked after us royally. I was pleased to invite Jan Dickson as my guest and that Sandra Little was able to join us, despite having broken her wrist the previous week.

I was surprised by the scores on such a dismal day. The overall winner being Sue Georges with 39 points, well done Sue. In

Division 1, Denise Reed was first with 37 points and Hilary Jessup second with 36, Melody Cotterill took first prize in Division 2 and Pat Murrish second prize. The Nearest the Pin prizes were won by Mai Markey and Marian Hill. Well done to all our ladies for playing and for helping to make my day so memorable.

The August medal was won by Therese van Doorn in Division 1 and by Josie Waddinton in Division 2. A special well done goes to Josie, who won her first ever Champagne flute!

On September the 21st, we hosted a friendly match against Vila Sol. Unfortunately they won 3/2 but we look forward to challenging them again next year and hopefully we can reverse the fortunes.

The Wainwright Trophy competition began on October the 1st, so hopefully all those who have entered will be able to play their rounds in the allocated time and we will have no requests for walk overs.

The Wooden Spoon in on Friday the 9th of October, so I hope to report a win for us over the men.

The Ladies Dinner is on October the 16th; I look forward to seeing many of you there and finding out who our summer eclectic winners are. We decided not to work out the results until nearer the dinner so there may be some surprises.

Finally, as I have just returned from a short seafaring holiday, I would like to thank Adrienne and Mai for looking after everything so well in my absence. I knew I could rely on them both to keep things running smoothly.

## Report from the Greens Committee

In our last report, there was good reason to feel progress was being made and the course was looking as if we had 'turned the corner'. Such optimism may have been misplaced as we fear that there has been a 'slippage' in the overall presentation and condition of the course.

The main problem has been caused by unusual weather conditions, and insufficient preparation. Humid nights and water left on the greens has caused a fungus and weed contagion. This is most evident on the greens where 'dollar spot' has invaded many of the greens surfaces. It looks unsightly and will be eradicated, but it takes time. Those greens that were tined and top dressed have resisted the fungus far better. We need more equipment and perhaps more men at these crucial times to prevent these problems.

I have felt it necessary to write indicating our concerns to the Director, Christophe, so he can pass on these issues to the owners.

It is doubly annoying as, in the interclub matches, Vila Sol and other teams have commented on the excellence and

presentation of both our greens and fairways, and the great improvement achieved at PA.

I know that certain members are only too quick to criticise when there is reason to do so and as always there is a learning curve and we knew it would take two years to see lasting improvements. Patience is not something golfers are very good at and the Greens Committee include themselves in that category!

The planned work for both September and October is extensive and we hope there will be grounds for renewed optimism when we next report. As ever, investment to deal with watering problems and the heavy work load the course experiences would help.

We hope to reach 80% achievement by year end! No one is relaxing.

Stewart Harper Captain, Gordon Todd, Tony Hickey.

# Interclub - by Christian Holst

We played our last match for the season on the 8th of October and lost 4-1 away at Quinta da Ria (Levante). We needed to score at least two points to go ahead of Levante in the League so this was obviously disappointing. A consolation for the team was that Rie Cherubini had a hole-in-one, so at least we had some free Champagne!

The other results in September were somewhat disappointing inasmuch as we only managed to draw at home against both Levante and Vila Sol. Despite decent results away at Vila Sol (2-3) and Parque da Floresta (1.5-3-5) we ended up in 5th place in Division 1 and must therefore play in Division 2 next year.

The final standing of Division 1 is set out below:

	<i>Home Points</i>	<i>Away Points</i>	<i>Bonus Points</i>	<i>Total Points</i>
Vila Sol	44	34	3	81
Alto	43	32	2	77
PdF	50	19	0	59
Levante	35	19	1	55
PA	34	19	0	53
Boavista	37	14	0	51
QdV	36	14	0	50

Congratulations to Vila Sol for winning the overall championship.

It is worth pointing out that we have gone from having the best home record in the league to the worst, which alone explains why we will play in Division 2 next year. Two wins, three draws and one loss at home is simply not good enough even if the opposition is tougher with the new league structure.

As in previous years we have used more than 30 players this year. However, I think it is fair to say it has been more of a challenge getting a team together than I have experienced earlier and consistency in pairings has therefore been less than desirable.

I have now done four seasons as Captain of the team and it is time for a change. Despite some frustrations and disappointments I have thoroughly enjoyed it but all good things come to an end.

## PRO TIP - Kenny Fairbairn

### *Keep Putting Simple*

To hole putts, you have to get two things right – distance and direction.

Trying to think about both at once can cause confusion or overemphasis on one element at the expense of the other.

First, make up your mind once and for all about direction as you read the lie of the surrounding land, the grain of the grass and the slopes between the ball and the cup.

As you begin to walk up to the ball, switch your mind away from direction and onto distance. Then execute!

## Social Golf by Molly Wainwright

We had a really good number of players - 54 - for our September event, which was a three man team competition with the best two scores to count on each hole.

There are changes to our committee; Dirk Blaesing has retired after eight years of sterling service – thank you Dirk.

Ken Irving and Sue Georges have joined the committee. I am sure they will both be very valuable members of our team. Ken was a great help to Paula and myself on the 20th of September.

We also tried a new menu, which I think was well received, though we are still working on it! It made a good talking point!

As ever, the results were excellent.
